

Crises Of The Republic Lying In Politics Civil Disobedience On Violence And Thoughts Revolution Hannah Arendt

Chapter 1 : Crises Of The Republic Lying In Politics Civil Disobedience On Violence And Thoughts Revolution Hannah Arendt

I never heard of hannah arendt in college. however, as i read more and more, i found that her work was often cited. although she passed away some decades ago now, she made an indelible impression upon the moral and political philosophy of the world in the mid-twentieth century and it endures today.
